About the Company:

WELL is an innovative technology enabled healthcare company whose overarching objective is to positively impact health outcomes by leveraging technology to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end to end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside and outside of WELL's own omni-channel patient services offerings. WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol "WELL". To learn more about the company, please visit: www.well.company.

WELL Health Medical Centers – Main Exchange

Suite 4A – 800 Steeles Avenue West
 Thornhill,
 Ontario,
 L4J 7L2

WELL Health is revolutionizing Canadian healthcare with seamless digital experiences that empower patients and providers. We operate the largest clinic network across the country.

Main Exchange is in a busy Retail Plaza that is one of the busiest in the local community and had been part of it for over 20 years. It is at one of the busiest intersections and has a large volume of pedestrian commuters, increasing its accessibility for the local community. It is deceptive in size as it is in the lower level and expands to almost a “mini-medical underworld”.
