About the Company:

WELL is an innovative technology enabled healthcare company whose overarching objective is to positively impact health outcomes by leveraging technology to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end to end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside and outside of WELL's own omni-channel patient services offerings. WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol "WELL". To learn more about the company, please visit: www.well.company.

WELL Health Medical Centers – Morningside Crossing

255 Morningside Avenue
Scarborough,
Ontario,
M1E 3E6

WELL Health is revolutionizing Canadian healthcare with seamless digital experiences that empower patients and providers. We operate the largest clinic network across the country.

Morningside Crossing Center is located in large retail plaza with amenities and restaurants, keeping that location very busy. It is a short walk from the University of Toronto – East Campus and various other educational services. Students are a huge part of our patient base. The clinic was relocated to this location 10 years ago but has been in that same neighborhood for over 22 years.
