**About the Company:**

WELL is an innovative technology enabled healthcare company whose overarching objective is to positively impact health outcomes by leveraging technology to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end to end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside and outside of WELL's own omni-channel patient services offerings. WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol "WELL". To learn more about the company, please visit: [www.well.company](http://www.well.company).

WELL Health – Coquitlam Medical Clinic puts patients and their family's health first. We are committed to empowering patients with care that results in improved health outcomes. This location is in a busy plaza across from Coquitlam Centre and adjacent to Coquitlam's transit hub, surrounded by new high-rises with easy access via transit or car. Affordable and convenient boasting everything you need within a 5km radius, making it a popular choice in the lower mainland for first time home buyers with a young family. When you fancy a trip to downtown Vancouver, or the North Shore is only a short ride away via the West Coast Express or the sky train. Plenty of parks, hiking trails, bike routes, and outdoor spaces; it is perfect for your outdoor lifestyle with an urban twist, Coquitlam has it all.

Our Coquitlam location is a multi-disciplinary and multi-physician clinic with a very collegiate atmosphere and a physician focused MOA support team. The clinic also provides virtual and telehealth options which can be accessed at home.

The ideal physician would be in a position to provide full-scope family practice either full-time or part-time. This position can have a small walk-in component.
