**About the Company:**

WELL is an innovative technology enabled healthcare company whose overarching objective is to positively impact health outcomes by leveraging technology to empower and support healthcare practitioners and their patients. WELL has built an innovative practitioner enablement platform that includes comprehensive end to end practice management tools inclusive of virtual care and digital patient engagement capabilities as well as Electronic Medical Records (EMR), Revenue Cycle Management (RCM) and data protection services. WELL uses this platform to power healthcare practitioners both inside and outside of WELL's own omni-channel patient services offerings. WELL owns and operates Canada's largest network of outpatient medical clinics serving primary and specialized healthcare services and is the provider of a leading multi-national multi-disciplinary telehealth offering. WELL is publicly traded on the Toronto Stock Exchange under the symbol "WELL". To learn more about the company, please visit: [www.well.company](http://www.well.company).

WELL Health – Richmond Central Medical Clinic puts patients and their family’s health first. We are committed to empowering patients with care that results in improved health outcomes. Our clinic is situated in a busy area being across the street from Richmond Centre and next to the Canada Line. Easily accessible via rapid transit, car, or simply walk from one of the many new residences nearby. Let out the foodie in you and have your tastebuds venture out to experience all the great eats Richmond has to offer right at your doorstep.

Fun Fact: Did you know Richmond is home of Canada’s largest commercial fishing harbour and one of the largest producers of cranberries in Canada? On your way to the fisherman’s wharf in Steveston Village, you’ll surely pass by many local farms.

Our Richmond Central location is a multi-disciplinary and multi-physician clinic with a very collegiate atmosphere and a physician focused MOA support team. The clinic also provides virtual and telehealth options which can be accessed at home.

The ideal physician would be in a position to provide full-scope family practice either full-time or part-time. This position will also have a small walk-in component. The WELL Health team will work closely with you to ensure there is a smooth transition of the practice. You can expect flexible hours and would be masters of your own schedule. You will have the opportunity to work the way you want!
